

Château Poujeaux 2005

Technical notes

APPELLATION	Moulis en Médoc In the heart of the vineyards of the Haut-Médoc, 3 miles from the two great appellation of Margaux and St-Julien
ADDRESS	CHATEAU POUJEAUX 33480 MOULIS EN MÉDOC FRANCE
SOIL	Château POUJEAUX has an uninterrupted vineyard planted on the finest outcrops of gūnz gravel, the ideal soil for the Great Classified Growths of the region.
AREA	62 ha
PLANTED	50 % Cabernet Sauvignon 5 % Cabernet Franc
AVERAGE AGE OF THE VINES	30 years
VATS	The vat room houses wooden vats, epoxy-resin lined concrete vats and stainless steel vats. They are all thermo-regulated to control the vinification temperature.
AGING	12 months of barrel-ageing. Half of the barrels are renewed every year. Clarification by racking from barrel to barrel, and fining with egg whites. Château POUJEAUX is not filtered or chilled, enabling the wine to keep all its richness.
PRODUCTION	On an average, 250 000 bottles
BLENDING FOR THE 2005	39 % Cabernet Sauvignon 52 % Merlot 5 % Cabernet Franc 4 % Petit Verdot
